Week 1: Foundations

Intention, identity and triggers

Work through this on your own, and bring what came up to Monday's live session.

1. What is your intention for this cohort, in one sentence?

2. What kind of person do you want to be in relation to this habit?

3. List your three strongest triggers. What usually happens just before each one?

4. What small change to your surroundings could make this week easier?
